# CELEBRATING A PROUD LEGACY OF INNOVATION AND EXCELLENCE

The year was 1958 and Richard Fisher had just put himself in the center of a daunting test: to have his boat sawed in half while he was aboard. Injecting foam into a boat's hull, Fisher had conceived, would produce uniquely failsafe results—results that would be tested publicly. Fisher sat calmly, soundly afloat, as he watched a diver saw through the boat. *LIFE* magazine documented the triumph and the Unsinkable Legend™ was born.

Now, 60 years later, the legend is stronger than ever. After all, a foundation based on forward thinking and impeccable quality has a way of fueling its own success. But not without effort. And not without a commitment to purpose-driven innovation and design that not only intrigues, but also delivers. Boston Whaler is passionate about developing the “latest and greatest,” but only when *greatest* is part of the equation.

Boston Whaler now offers models ranging from 11 to 42 feet, with a storied lineup of highly versatile, highly intelligent boats. Truly, there is a Whaler for every stripe of fisherman, every cut of boater—inshore and offshore fishing, pleasure boating and watersports, dinghy duty and mega-yacht tender services. And let's not forget the punishing demands of military, public safety and commercial entities the world over.

---

*Now and then: Snapshots of Boston Whaler models from every decade reflect not only the changing aesthetic of the times, but also the consistent adherence to quality and ingenuity that have always defined the brand.*

*At right, the iconic 1961 LIFE magazine image of founder Dick Fisher, calmly watching as his boat is sawed in half.  
Below, a photograph documenting Fisher's trip up a waterfall, proving Whalers are up for a challenge.*

Today, Boston Whalers are so much more than unsinkable. The legend continues to spread because each Whaler empowers its owners to enjoy the water with complete confidence, exactly on their own terms. Many factors contribute: hulls designed to anticipate and harness the forces of water, providing a noticeably soft, smooth, stable ride; features selected purposefully for the way boaters actually move, think and operate; cutting-edge technologies chosen for their ability to solve challenges before they become problems.

As Boston Whaler reflects on its 60th anniversary, it remains true to Fisher's vision, consistently pushing the envelope with advances in manufacturing, design, navigation and propulsion. Today's Whaler is ever more precise, ever more fun to drive. More than any other manufacturer, Whaler maintains a profound respect for and intimacy with the water, and it's a difference you will feel—the result of a six-decade commitment to innovation and excellence that only grows stronger with each passing year.

CELEBRATING A PROUD LEGACY OF INNOVATION AND EXCELLENCE

# FOR EVERY SPORT FISHING RUN

You're serious about your craft and so are we. That's why we work tirelessly to ensure that our boats reflect the same level of passion as those using them. With a Boston Whaler, you get more than a fishing boat—you get a rugged fishing machine loaded with innovative features, primed to take you wherever you want to go. Enjoy better leaning posts, smarter gear storage and more seamlessly integrated upper stations. Rely on the latest navigation and fishfinding electronics from Raymarine®. Move freely through more usable cockpit space, thanks to convertible seating and award-winning design. Boston Whaler has long crafted the most sought-after fishing boats on the market—boats that are in a class of their own.

Boston Whaler's attention to detail is what sets these boats apart and makes them legendary in the sport-fishing world. Whether you prefer a small boat on a local lake, a center console on a nearby bay or a powerful offshore runner for the wide-open ocean, extensive fishing features like console-mounted rod holders, spacious livewells and outriggers help you enjoy fishing success. Tackle offshore runs with ease, thanks to reliable Mercury® power and the intuitive control delivered by ergonomic Whaler helms. With a ride this safe, dry and comfortable, there's nothing standing between you and that epic next catch.

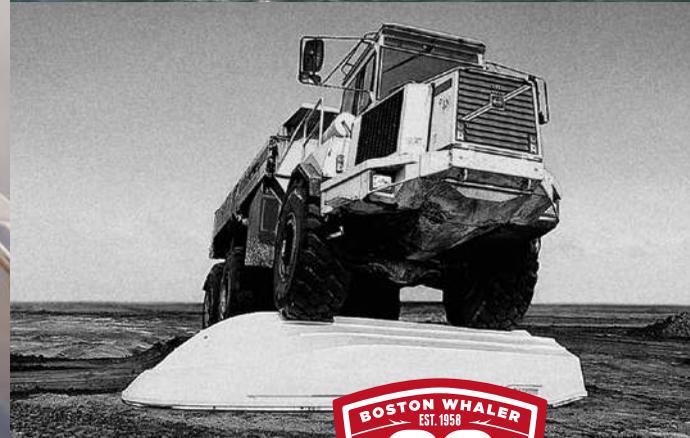

## TRUSTED TO PERFORM

Because we're always pushing the limits, we figured, why stop at sawing a Whaler in half? So we found some ways to up the ante. Through blizzards of artillery shells, tramlings with earthmovers and being swamped beyond capacity, Boston Whalers have stood the test and retained the unsinkable title. These rugged bona fides are attested to by the confidence of commercial entities, government agencies and military forces around the world that rely on the brand to perform day in and day out.

To deliver this level of reliability, Boston Whaler and its parent company, Brunswick Corporation, source materials from the world's top suppliers and put them in the hands of the marine industry's most talented engineers, designers and craftsmen. State-of-the-art components are combined with Whaler's patented designs to craft superior, cutting-edge, low-maintenance boats. Strict construction standards mean we can back every Boston Whaler with a 10-year structural hull warranty. Trust is earned, and we intend to keep yours.

CELEBRATING A PROUD LEGACY OF INNOVATION AND EXCELLENCE

# CONFIDENCE-INSPIRING FOR INSPIRED ADVENTURES

Your dreams are limitless, and the possibilities for adventure on your boat should be, too. With a Boston Whaler, no objective is too lofty. Five-star on-water dining? There's a Summer Kitchen to make it happen. A delicious midday nap set to gently lapping waves? Plush, convertible seating and innovative cabin designs deliver Grade-A zzzzz's. For decades, Whaler has listened to the needs and habits of pleasure boaters, informing a fleet that's as comfortable as it is capable.

When adventure calls, count on Boston Whaler to take you there and expand the possibilities. Create a day that's perfectly yours, whether you prefer to fish, play or simply cruise from dawn till dusk. An incredible array of features and options allows you to choose the perfect vessel for your family and friends. Add a tow arch to a Super Sport, Montauk®, Dauntless® or Vantage® for wakeboarding, tubing or water-skiing thrills. If overnighting is your game, seek the comforts of home onboard a Conquest®, Realm™ or Outrage®, with high-tech entertainment centers, electric grills and innovative sleeping quarters. From convenient sport boats to luxury vessels, Boston Whaler provides the amenities and power to make pleasure boating a dream come true.

### LEGENDARY COMMUNITY

When you purchase a Boston Whaler, you join a tight-knit community of passionate boaters. We are committed to nourishing this relationship through many channels, including social network groups on Facebook, Instagram, LinkedIn, Twitter, and YouTube, and through local owner gatherings and annual excursions to amazing places.

If you ever need support, trust in Boston Whaler's global network of exceptional dealers, whose vast industry experience and boating knowledge mean you're never far from the answers you seek. We're proud to say that our track record for customer service has earned us a Customer Satisfaction Index Award from the National Marine Manufacturers Association for 14 straight years—a humbling accolade based on direct feedback from our owners. The Unsinkable Legend is reflected in the actions of an engaged community. We invite you to join us in celebrating life on the water.

CELEBRATING A PROUD LEGACY OF INNOVATION AND EXCELLENCE

## THE JOURNEY IS THE REWARD

Enjoying your yacht to the fullest means having the freedom and confidence to come and go as you please. Boston Whaler's rugged and dependable boats make ideal yacht tenders that provide service far above and beyond the average dinghy or RIB. From the agile 110 Tender to the sophisticated 420 Outrage® to the adventurous new Realm™, you'll find a boat to fit your needs, complete with industry-leading Mercury® power for seamless, efficient command.

While equally superb for family jaunts and offshore fishing runs, Boston Whaler boats come packed with safety features and yacht-quality touches that allow them to service yachts with ease. Whalers are built to withstand the rigors of hauling and towing on long ocean voyages. Heavy-duty tow eyes are factory-installed and are covered by the standard three-year component warranty for added peace of mind. Purposefully engineered lifting points ensure that hoisting your Whaler tender on and off the yacht is headache-free. For all these reasons and more, Whaler is the choice of professional captains around the world.

## INDUSTRY-LEADING TECHNOLOGY

As part of a continuing investment in new technology, Boston Whaler enjoys enduring partnerships with the industry's leading propulsion, navigation and communications experts. The result? Features like these, available on select models:

- Mercury® Verado® engines with Joystick Piloting and Skyhook functionality, for effortless station-holding and easier docking than you ever thought possible.
- Raymarine® high-resolution, multifunction displays, including Axiom™, a powerful new multifunction navigation system with built-in RealVision 3D™ sonar and blazing-fast performance.
- JL Audio® marine sound systems, whose highly efficient speakers deliver crystal-clear sound quality and impressive volume.
- Seakeeper® gyro-stabilization technology, which virtually eliminates boat roll, dramatically cutting down on the type of movements that can cause seasickness.

CELEBRATING A PROUD LEGACY OF INNOVATION AND EXCELLENCE

# SUPER SPORT<sub>SERIES</sub>

EASY TO OPERATE, EASY TO LOVE, SUPER SPORT  
DELIVERS EFFORTLESS ENJOYMENT

Every Boston Whaler Super Sport is designed for ultimate load-and-go readiness. Ideal for families and active boaters, they're easy to trailer and park in your garage, and simple, safe and fun to operate. With their combination of cutting-edge Mercury® power and rigid, durable construction, Super Sports brave ocean waves with total confidence, making them excellent as yacht tenders. Numerous available options—including a tow arch, a sun-top, fishing amenities and hull color choices—make Super Sport the perfect choice for a watersports outing, a fishing trip or a leisurely cruise. No matter how you like to spend time on the water, Super Sports are built to make your boating experience simple—no fuss, all fun.

CELEBRATING A PROUD LEGACY OF INNOVATION AND EXCELLENCE

## 110 Tender/Sport

Nimble and lightweight, the 110 Sport is a boat that can handle a variety of uses with ease. A standard 25-hp Mercury® FourStroke engine powers fun family outings and fishing trips alike. The 110 also serves as a highly capable yacht tender. A sturdy and ergonomic fiberglass console, standard Mercury gauges and a safety switch provide confidence and effortless command at the helm. Stylish, high-end touches—sleek stainless-steel rails, drink holders, a bow locker, and bow and stern cleats—round out a premium runabout experience in a very manageable size.

- 01** Stainless-steel side rails for added safety and security.
- 02** Fiberglass console with no-feedback steering affords pilot comfort and easy control. (Sport)
- 03** A removable fuel tank powers the 25-hp Mercury engine and makes refueling easy.
- 04** Bow locker with fiberglass cover and overboard drain offers multipurpose storage.

## 130 Super Sport

Define your own experience with the 130 Super Sport. Thanks to their modular design concept, Super Sports can be customized to suit your needs and preferences, including a selection of stylish hull colors. The 130 offers a long list of options and accessories, including a canvas top; fishing features such as a carry-on livewell and additional fishing seat; sport boat touches like a stainless-steel steering wheel and welded bow rails; and numerous available seating configurations. And at its core, unsinkable Boston Whaler construction means the 130 Super Sport delivers a soft, dry ride—for boating that's simply more enjoyable.

Add optional bench seat cushions with backrest so you and a friend can cruise in comfort. **01**

An optional cushion turns the bow into a spacious, comfortable lounge space. **02**

Optional Pelican® box provides secure console storage for valuables. **03**

An optional sun-top with black boot and stainless-steel fittings provides shaded comfort. **04**

CELEBRATING A PROUD LEGACY OF INNOVATION AND EXCELLENCE

## 150 Super Sport

The versatile, low-maintenance and customizable 150 Super Sport lets you do more. Boaters seeking high-octane watersports action can select a ski tow or full tow arch to satisfy the need for thrills. Add a carry-on livewell, fishing seat and rail-mounted rod holder for great fishing capability—not to mention simple hose-down cleanup at day's end. The 150's design offers the ultimate in convenience thanks to ample well-placed storage, comfortable seating and simple towing. For ease of use, reliability and carefree sport boat style, the 150 Super Sport leads the pack.

- O1** Add a rail-mounted rod holder for complete convenience when out for a day of fishing.
- O2** An optional carry-on livewell keeps fish healthy, while tool storage around the rim keeps everything within reach.
- O3** The spacious console side seat cooler is conveniently accessible.
- O4** A galvanized trailer with swing tongue, LED lights, tie-downs, torsion axle, jack and winch comes standard.

## 170 Super Sport

You'll find plenty of space and lots to love in the roomy 170 Super Sport. Premium touches include stainless-steel components, a fiberglass side console and comfortable seating throughout. Amenities and options for wakeboarding, fishing and relaxing cruises mean the 170 is as versatile as it is reliable—plus, it's customizable to suit your needs. Great options include a stereo with speakers, additional seating, hull color choices and a Mercury® 90-hp engine upgrade. With its sleek lines, impeccable Whaler style and soft, safe, smooth-riding performance, the 170 Super Sport will capture your heart and turn heads in the process.

An available sun-top features durable black canvas and stainless-steel fittings.

01

Opt for a bow cushion and bow rail for comfort up front.

02

Optional stainless-steel steering wheel and waterproof Pelican® box make the console the center of control.

03

Optional reversible bucket sport seats with cushions and backrests (sold separately) deliver increased comfort.

# MONTAUK<sup>®</sup>SERIES

CLASSIC HERITAGE MEETS CUTTING-EDGE CAPABILITY

IN THE ALL-NEW BOSTON WHALER MONTAUK<sup>®</sup>

Practical design, rugged utility and easy “hose-and-go” cleanup are hallmarks of the Montauk®, and today’s models embody this spirit, while select updates take them squarely into the future. As always, the Montauk’s shallow draft enables quick planing, and unbeatable Whaler hull construction ensures a soft, safe, dry ride. The center console layout features plenty of elbow room and ample storage space for everyone’s gear. For fishing trips, watersports runs or casual outings, count on reliable, efficient Mercury® power to fuel the fun. With time-tested design, trademark unsinkability and a host of comfort-minded details, it’s easy to see why the Boston Whaler Montauk is one of the most popular family boats on the water.

CELEBRATING A PROUD LEGACY OF INNOVATION AND EXCELLENCE

NEW MODEL

## 150 Montauk®

Boston Whaler's proud heritage is reflected in the new 150 Montauk®, a fresh take on this champion of "hose-and-go" utility. Command confidently from the intuitive helm console, and count on the Mercury® FourStroke engine for reliable, efficient performance. For anglers, the optional Fishing Package adds a 36-quart cooler seat, tackle drawers and rod holders on the console, plus a variety of available Raymarine® electronics. The 150 is also available with a stylish Teak Package that includes teak boarding steps. And because empowerment has always been the name of the Montauk's game, a galvanized trailer comes standard. Stow and go, then go some more, with the new 150 Montauk.

- 01** An optional Fishing Package adds a cooler seat, tackle drawers, console rod holders and more.
- 02** The reversible helm seat features dedicated storage for the 12-gallon fuel tank with hold-down straps.
- 03** Choose the optional stern livewell with blue interior and gain additional rod holders.
- 04** An optional sun-top with boot lends welcome shade on sunny days.

## 170 Montauk®

Introducing the new 170 Montauk®, a cutting-edge spin on the beloved classic. New updates for 2018 include an internal 25-gallon fuel tank and an integrated forward fishbox with overboard drainage, two additions that customers will certainly appreciate. The available Teak Package lends vintage flair, while the standard Mercury® outboard engine delivers reliable, efficient performance. Add easy cleanup and a standard galvanized trailer, and the 170 Montauk is a true standout for reliability and convenience.

Captains from novice to expert will appreciate the intuitive helm console with stainless-steel accents.

01

Optional port and starboard aft-seats feature plug-in backrests for added comfort.

02

A new integrated forward fishbox includes overboard drainage.

03

A reversible pilot helm seat features a locking backrest, storage and optional 12-gallon livewell.

NEW MODEL

## 190 Montauk®

Classic good looks meet modern-day utility in the new 190 Montauk®. Updates for 2018 include an available Teak Package, adding a touch of retro flair. The 190 Montauk's wide beam allows generous fish-fighting space, and a standard Mercury® FourStroke engine offers ample power to get the job done. Throughout, Whaler's unmatched attention to detail is apparent: Non-skid flooring and stainless-steel grab rails ensure safety, and a built-in fuel tank, bow locker, rod holders and intuitive helm all deliver great functionality. Available Raymarine® electronics lend extra know-how, and an optional T-top provides added weather protection. Find the fish, fight the fish and stay comfortable doing it. The 190 Montauk performs beautifully, every time out.

- 01** Available bow and sun lounge filler cushions add comfort and versatility.
- 02** A large forward fishbox/storage compartment keeps catches fresh and gear secure.
- 03** The console features a stylish new face and convenient cup holders.
- 04** An optional powder-coated tow arch is designed to elevate watersports action.

## 210 Montauk®

Introducing the all-new 210 Montauk®, a boat designed to deliver major functionality and stress-free operation. The roomy center console layout includes an expansive forward deck with a large fishbox, an anchor locker and a convertible cooler seat. Anglers will appreciate the ample workspace, four standard rod holders and optional livewell. The 210 also delivers huge comfort, with an innovative sun lounge and aft seating options. The optional T-top, portable head, ski tow arch and split bow rail make the Montauk perfect for every boating opportunity. And with stylish touches for the 60th anniversary, including an optional Teak Package, the new 210 will turn heads.

Port and starboard aft jump seats provide a comfortable spot for additional fishing buddies.

01

New Raymarine® Axiom™ options provide cutting-edge navigational functionality including RealVision 3D.

# VANTAGE<sup>®</sup> SERIES

WITH VANTAGE<sup>®</sup>, VERSATILITY AND COMFORT  
COMBINE TO CREATE ENDLESS POSSIBILITIES

From the popular 230 Vantage® to the head-turning 320 Vantage, this award-winning family of Boston Whalers changes the game. Cutting-edge dual-console design combines with an impeccably crafted hull to deliver extraordinary comfort, handling and stability. Best-in-class amenities and options give every Vantage model remarkable versatility, making it well suited for offshore cruising, serious fishing, watersports and beyond. This is a true “no compromises” boat that enables just about any on-water activity, and it’s as stylish as it is capable. Not only will you enjoy the abundance of plush seating—from the spacious open bow to the uniquely convertible portside gathering area and aft seating—but thanks to its brilliantly designed Whaler Unibond™ hull, you’ll also enjoy the softest, smoothest and most stable ride on the water.

CELEBRATING A PROUD LEGACY OF INNOVATION AND EXCELLENCE

## 230 Vantage®

Winner of an Innovation Award from the National Marine Manufacturers Association, the 230 Vantage® delivers incredible comfort and capability. The uniquely convertible port lounge seat with storage faces either forward or backward, so you can face your guests or watch the action behind the boat. Bow seating is expansive and ergonomic as well. For wakeboarders and skiers, the watersports tower and standard 225-hp Mercury® FourStroke Verado® engine offer thrills for days. Anglers can head offshore with confidence; the optional Fishing Package adds a 14-gallon livewell, a fishing station, a raw-water washdown, transom-mounted rod holders and more. Thanks to an accessible head featuring a molded sink with drain and lockable entry door, and a high-capacity YETI® cooler, every crew can journey longer and farther in comfort.

- O1** The spacious bow seating area accommodates an optional stowable table.
- O2** Like the smooth-riding hull, the crisp console is all about confident control.
- O3** The port seating adjusts readily to your needs and stows a lot of gear.
- O4** Next-level aft seating converts seamlessly to form a large cockpit area for fishing or entertaining.

## 270 Vantage®

The 270 Vantage® is equipped for every activity you and your crew can dream up. Eager for offshore fishing? You're covered, with standard gunnel-mounted stainless-steel rod holders and optional raw-water washdown, plus an optional Fishing Package featuring a 19-gallon lighted livewell, a fishing station and transom-mounted rod holders. Craving watersports action? The optional tower with tow bit and optional wakeboard racks will take you to new heights. Entertaining friends? The extensive bow seating area with lounge backrests ensures comfort, and an optional Summer Kitchen with a refrigerator and electric grill will earn raves. The available bow sunshade extends from the hardtop to provide extra protection from the elements, and ample storage keeps everything tucked away safely.

Uniquely convertible portside seating area configures for endless possibilities.

01

The fiberglass hardtop includes 4 easy-to-reach rod holders.

02

Add the optional bow filler cushions to create a roomy sunpad perfect for afternoons at anchor.

03

Deluxe custom Boston Whaler helm seat with arm rests adjusts to suit any captain.

04

CELEBRATING A PROUD LEGACY OF INNOVATION AND EXCELLENCE

# 320 Vantage®

Cutting-edge features are a hallmark of the dual-console 320 Vantage®, winner of the National Marine Manufacturers Association's 2015 Innovation Award. The portside companion area features two spacious lounges with multiple configurations. At the helm, two touchscreens featuring available Raymarine® electronics and VesselView display offer seamlessly integrated control. For entertaining, the cockpit utility center makes it easy to feed a crowd; it can also be decked out as a prep station for serious fishing. Mercury® Verado® outboards power day-long watersports or cruising, while optional bow and cockpit sunshades extend from the 320's hardtop to expand protection. And with an inviting portside interior space, there's even a place to sneak in a nap or an overnight stay. When the softest, safest ride meets the best equipped dual-console around, new possibilities become eminently possible.

- O1** Uniquely convertible portside seating offers an array of configurations.
- O2** Spacious open bow features backrests, a large under-seat cooler, an optional bow table and more.
- O3** A cockpit utility center includes a sink, 18-gallon cooler/livewell and prep surface, plus optional grill and fridge.
- O4** Below deck, a cozy interior seating area offers a break from the weather.

# DAUNTLESS<sup>®</sup> SERIES

THE DAUNTLESS<sup>®</sup> FAMILY INSPIRES WITH CONFIDENT  
PERFORMANCE AND MULTITASKING CAPABILITIES GALORE

With its impressive multitasking capabilities, Dauntless® truly lives up to its name. From the nimble 170 Dauntless to the bold 270 Dauntless, this family of boats is designed to inspire *your* family of boaters. Go from watersports action to serious fishing in seconds—Dauntless is well equipped for both. Choose from amenities and options suited to your specific needs, and you have the Dauntless that fits perfectly and looks stylish at the same time. Roomy center console designs provide plenty of room to cast lines, while strong, high-performance Mercury® outboards offer plenty of power to satisfy wakeboarders and tube-riders. Unsinkably safe, reliable, comfortable and outfitted for the unique needs of active families, Dauntless is the boat to empower every on-water passion.

CELEBRATING A PROUD LEGACY OF INNOVATION AND EXCELLENCE

## 170 Dauntless®

The nimble, easy-to-trailer 170 Dauntless® packs a ton of capability. For anglers, serious fishing features and options include robust aft seating that transforms in seconds to form a large casting platform. For watersports enthusiasts, the optional ski pylon and standard 90-hp Mercury® FourStroke engine power every turn. Spacious storage compartments hold all your gear, and premium amenities lend both style and function, including stainless-steel grab rails and an optional Fusion® stereo.

- 01** Spacious bow and cockpit provide ample room for catching fish or catching rays.
- 02** Port and starboard aft quarter seats with removable cushions add comfort and versatility.
- 03** An optional sun top with boot and stainless-steel fittings provides welcome shade.
- 04** A swim platform with telescoping ladder offers safe, easy access for swimmers and watersports fans.

## 180 Dauntless®

The 180 Dauntless® encourages on-water adventure in many forms. Anglers benefit from an array of amenities, including robust aft seating that converts to form a wide casting deck, an optional front console livewell, and optional pedestal fishing seats and trolling motor panel. Watersports fans will love the strong, efficient Mercury® FourStroke outboard power and nimble performance, and every passenger will appreciate the comfortable forward and stern seating and slide-out 54-quart cooler. The popular All-Activity Tower™ option adds more rod holders, a tow bit and additional watersports capability. Go on—seize the day, your way.

Six console-mounted rod holders (3 on each side) put your rods right within reach.

01

Reversible pilot seat with locking backrest comes with a 54-quart slide-out carry-on cooler.

02

A lockable console storage compartment keeps valuable items safe and secure.

03

The integral swim platform features a telescoping ladder to make water access effortless.

04

CELEBRATING A PROUD LEGACY OF INNOVATION AND EXCELLENCE

## 210 Dauntless®

The 210 Dauntless® is a champion of versatility and ease, well equipped with amenities and options for active families and serious anglers. Whaler's flip-up aft seating converts in seconds to form a huge full-width casting platform. Purposeful rod and gear storage and an optional trolling motor panel make it a formidable fishing machine, especially when you factor in the Dauntless's unsinkable safety, smooth handling and soft, dry ride. The 210 also features a plush bow sun lounge option with backrest, making the area a natural source of relaxation. For great fishing action or all-day play, the 210 Dauntless is a winner.

- O1** Reversible pilot seat with locking backrest includes a slide-out 54-quart carry-on cooler.
- O2** Ample stainless-steel rod holders and a powerful Mercury® engine enhance fishing capability.
- O3** A large livewell with an insulated blue interior in the console protects every trophy catch.
- O4** Ergonomic helm console features stainless-steel SmartCraft® gauges and optional premium Fusion® stereo.

## 240 Dauntless®

If the 240 Dauntless® had a middle name, it would surely be “multitasker.” For watersports, the popular All-Activity Tower™ option includes storage racks, a poling platform and more, while efficient Mercury® FourStroke power fuels the fun. For fishing, an available reversible pilot seat with livewell, raw-water washdown and stainless-steel rod holders deliver big angling capability. The 240 features loads of well-placed storage spaces and comfortable seating, including Whaler’s exclusive flip-up backrests on the bow seats. Stainless-steel accents and amenities like the optional Fusion® stereo enhance everyone’s enjoyment. Choose your own adventure, and enjoy it with confidence.

Flip-up backrests on the port and starboard seating make the bow a popular spot. 01

Under-seat storage in the bow holds fishing equipment securely. 02

Additional rod holders on the optional T-top keep rods safe and out of the way. 03

A center bow cushion forms a comfy sunpad, and can be supplemented with an optional bow table for entertaining. 04

CELEBRATING A PROUD LEGACY OF INNOVATION AND EXCELLENCE

NEW MODEL

## 240 Dauntless® Pro

The new 240 Dauntless® Pro is purpose-built for anglers looking to step up their game—without sacrificing comfort. Inshore or offshore, the 240 performs like a champ, thanks to Whaler's precision-crafted hull and strong, efficient Mercury® Verado® power. Serious fishing features include a large, single-level stern casting deck and the new Pro Angler's Tower, with a dedicated portside ladder for safe access, a leaning pad and a state-of-the-art upper helm for confident command and unbeatable visibility. Additional options include a power pole, trolling motor and jack plate, so you can outfit the 240 Pro according to your fishing style.

- O1** Enjoy uninterrupted visibility and confident command from the tower's state-of-the-art helm station.
- O2** The Dauntless Pro's single-level stern casting deck features convenient storage and a center livewell.
- O3** The bow of the 240 features plush seats with flip-up backrests and a cushion.
- O4** The cockpit's functional leaning post supports you while driving, then serves as a go-to spot for fighting a fish.

## 270 Dauntless®

For versatility and effortless enjoyment, the 270 Dauntless® is unrivaled. Comfort and ease start in the bow, where port and starboard seats feature flip-up backrests and ample storage underneath. The forward lounge seat features its own plush backrest and flip-up armrests, and also houses a cavernous, lockable storage compartment. For entertaining or fishing, the spacious cockpit includes a leaning post with rod holders, a cooler and purpose-driven options like a large livewell or three-drawer storage. Plus, the optional integrated hardtop includes a bow sunshade option for extra sun protection, and powerful Mercury® outboards provide strong, reliable performance.

The optional swim patio provides divers and swimmers with an easy-access platform.

01

Huge, lockable storage beneath the forward lounge seat holds rods, buckets and much more.

02

Optional integrated hardtop features rod holders to keep your fishing arsenal at hand.

03

Optional deluxe leaning post enhances the helm seat with flip-up thigh-rise bolsters.

04

# OUTRAGE<sup>®</sup>SERIES

SMOOTH OFFSHORE PERFORMANCE MEETS ENTERTAINING  
EASE IN THE CONFIDENCE-INSPIRING OUTRAGE<sup>®</sup>

The Outrage® series epitomizes Boston Whaler's focus on confidence that comes from the inside out. Built to perform fearlessly offshore, the Outrage hull perfectly balances softness and stability for an incredibly smooth, safe and dry ride. Thanks to huge livewells, in-floor fishboxes, an integrated hardtop system and more, the Outrage is an angler's dream. With thoughtful amenities like spacious convertible seating, a roomy cockpit with Summer Kitchen options, and even cabin space in the larger models, these beautiful boats encourage effortless entertaining and cruising—and make prime yacht tenders as well. From the nimble 190 to the flagship 420, every Outrage model combines impressive capability and intuitive operation for maximum enjoyment.

CELEBRATING A PROUD LEGACY OF INNOVATION AND EXCELLENCE

## 190 Outrage®

The 190 Outrage® packs all the confidence and capability of a much larger boat. With its 22-inch freeboard, aggressive V hull and huge fuel capacity, it's perfectly suited for offshore trolling—and thanks to its 12-inch draft, it's equally ideal for backwater fishing. Anglers of all stripes will appreciate options like a livewell, tackle drawers and rod holders. Meanwhile, comfort-minded features like soft, durable seating and handy drink holders make the 190 Outrage great for pleasure cruises as well. Thanks to Whaler's unbeatable ride quality, every passenger stays safe and dry.

- 01** A central leaning post includes holders for two rods.
- 02** Optional tool storage and 15-gallon livewell under the leaning post add convenience.
- 03** Aft jump seats make it easy to load up on angling friends.
- 04** Gunnel-mounted rod holders (4) keep your arsenal close at hand.

## 230 Outrage®

The 230 Outrage is a fierce performer that's remarkably spacious for its size, thanks to an expanded bow and a versatile cockpit. Equally well suited for serious fishing and laid-back entertaining, the 230 Outrage is loaded with purposeful amenities. A fiberglass hardtop option lends added fishing capability and protection from the elements, while a clever convertible leaning post offers versatility and convenience. And thanks to Whaler's precision-engineered deep-V hull and standard 225-hp Mercury® Verado® engine with hydraulic steering, you can count on precise handling, reliable performance and a soft, safe, dry ride.

Spacious bow, shown with optional filler cushion, offers ample seating, storage and legroom.

01

An integrated fiberglass hardtop option features rod holders and storage.

02

The convertible leaning post can face aft, and includes a handy flip-down work surface.

03

Fold-out stern seat tucks neatly away to gain valuable fish-fighting room in the cockpit.

04

CELEBRATING A PROUD LEGACY OF INNOVATION AND EXCELLENCE

## 250 Outrage®

For the serious angler who refuses to sacrifice comfort, safety or style, the 250 Outrage® satisfies on all counts. The deluxe leaning post includes a 40-gallon pressurized livewell, a bait-prep area, rod holders, a freshwater sink and tackle storage. With Mercury® power options including the impressive 350-hp Verado® FourStroke, a variable-deadrise deep-V hull, and a huge 172-gallon fuel tank, the 250 Outrage is an offshore champ. Enjoy comfortable, functional seating throughout, plus a convenient enclosed head in the console. Yacht owners, count on the unsinkable performance and sleek style that make the 250 superior as a tender as well.

- 01** Electronics surface holds two 12-inch displays, while foot-step and seating adjust for comfort.
- 02** Spacious open bow features large, convenient storage compartments and conversation-friendly seating.
- 03** Well-equipped leaning post includes 40-gallon livewell, sink with sprayer, ample storage and more.
- 04** Deluxe helm seat upgrade provides adjustable captain's chair and stationary companion seat.

## 280 Outrage®

The 280 Outrage® offers loads of features for serious anglers: a deluxe leaning post with bait-prep area, a 40-gallon livewell, three massive fishboxes and more. At the same time, it's packed with comfort-minded amenities. A standard portable head with pump-out makes long days a breeze, and the boat's wide beam, deep-V hull and soft seating enhance group pleasure cruises. Cutting-edge Mercury® instrumentation and available Raymarine® navigation packages empower you for ultimate offshore success. A tempered-glass windshield and optional heavy-duty integrated hardtop system with floodlights and life-jacket storage all enhance the 280's smooth blend of rugged comfort and capability.

Optional deluxe helm seating includes an adjustable captain's chair and stationary companion seat. 01

Forward lounge seat lifts to reveal cavernous storage compartment with room for dive tanks, buckets and more. 02

A comfortable aft bench with padded backrest folds cleanly away to maximize fish-fighting room. 03

Large open bow includes a generous lounge with armrests and social forward seating. 04

CELEBRATING A PROUD LEGACY OF INNOVATION AND EXCELLENCE

## 330 Outrage®

The 330 Outrage® is an outstanding performer. Boston Whaler's unique variable-deadrise deep-V hull is precision-engineered to deliver a smooth, dry, comfortable ride. Handling is beautifully predictable, with control made seamless by a state-of-the-art Mercury® propulsion system. Wide walkways and a roomy cockpit—plus fishing features and options galore—make this an excellent fishing platform. Comfort-minded amenities including smart bow seating, a convenient dive door, a convertible couch prep station and optional bow and aft sunshades make the 330 perfect for entertaining. Not only is this Outrage up to the task, but it's also designed to make every task a pleasure.

- 01** Private head compartment in the console features a VacuFlush® toilet, porthole, sink and storage space.
- 02** Plush forward lounge seat with armrests opens to reveal a cavernous storage compartment.
- 03** Gain protection from midday rays with the optional bow and stern sunshade.
- 04** Enjoy ample fish-fighting room in the cockpit, courtesy of a fold-away aft bench and wide beam.

## 350 Outrage®

Remarkable capability marries beautifully with thoughtful amenities and cutting-edge technology in the 350 Outrage®. In the spacious cockpit, anglers will appreciate the deluxe leaning post/bait-prep center, with its 40-gallon livewell, tackle and tool storage, and freshwater sink. For entertaining, the optional Summer Kitchen makes hosting a breeze, thanks to a handy grill, fridge, sink and storage. Meanwhile, an optional upper station serves up spectacular views and fishing functionality. From bow to stern, ample seating and storage ensure a comfortable ride and a secure place for all your gear. And count on the 350 Outrage's triple Mercury® FourStroke Verado® engines with available Joystick Piloting for reliable, efficient performance and effortless docking.

Ample rod storage throughout the boat keeps anglers' arsenal within easy reach.

01

A deluxe leaning post includes multiple drawers and abundant storage to keep gear organized.

02

The optional bow table/sun lounge converts easily with a gas-assisted base.

03

A convenient portside dive/boarding door with removable ladder means better snorkeling.

04

NEW MODEL—AVAILABLE FALL 2018

## 380 Realm™

The water is yours to explore with the new 380 Realm. Travel wherever your curiosity takes you, head for an intriguing new island, or turn an evening into an overnight... The 380 Realm is perfectly equipped for long-distance adventures, cruising with family and friends, and beyond. Throughout the boat, comfort is paramount: Enjoy a spacious open bow with plush lounge seating and wraparound forward seating, plus an optional bow table with sunpad to create a total relaxation zone. In the cockpit, two full rows of convertible seating adjust to face forward while underway, or backward when the action moves aft. The aft row houses a giant cooler/storage compartment, available with refrigeration system, to keep beverages ice-cold for your entire crew. And the convenient cockpit prep center features a grill with pop-up solid surface counter, sink and storage.

The 380 Realm features an inviting cabin: An enclosed stand-up head—complete with a porcelain head, shower and vanity sink—lends comfort and privacy, while the convertible V-berth serves as both a social area and a queen-sized bed.

Captain confidently from the state-of-the-art helm station, available with Joystick Piloting, for effortless docking and maneuvering, and Skyhook/autopilot functionality. Powerful Mercury® Verado® outboards provide strong, reliable, efficient propulsion. And because it's a Whaler, you can count on the unsinkable, variable-deadrise V-hull to deliver a soft, safe, dry ride, whether you're chasing the horizon or enjoying waters close to home.

PROFESSIONAL-GRADE FISHING MEETS LUXURIOUS ONBOARD  
ENTERTAINING IN THE HIGH-PERFORMING CONQUEST<sup>®</sup>

With its sleek deep-V hull, wide beam and state-of-the-art Mercury® Verado® power, the award-winning Conquest® tackles deep-ocean fishing with ease. Ample fishing amenities boost success on offshore excursions, and cutting-edge technology at the helm ensures total confidence and control. Premium, fully adjustable seats turn the cockpit into a fantastic alfresco dining space for entertaining, while an optional grill (available on some models) elevates any on-water meal. Innovative portside seating keeps the captain in good company beneath the integrated hardtop, and converts to join the conversation aft. Below deck, Conquest models feature a well-appointed cabin with head, entertainment zone and galley, offering comfortable overnighting and a great spot to gather with friends or fishing buddies.

CELEBRATING A PROUD LEGACY OF INNOVATION AND EXCELLENCE

## 285 Conquest®

With the 285 Conquest, anything is possible. Comfort-minded features and amenities accommodate active day cruises, serious fishing runs and impromptu overnighting. Offshore trips are a pleasure thanks to design details that maximize helm visibility, seating comfort, storage space and more. The boat's welcoming cabin sleeps four with a plush forward V-berth/dinette and a mid-cabin double berth, as well as optional HDTV, a deluxe galley and an enclosed head. When you're not entertaining a crowd in the generous cockpit, go out and find the big fish—the 285 Conquest is fully equipped for offshore runs. Choose from two side glass options and let the 285 open your horizons.

- O1** Optional aft cockpit sunshade protects you from harsh rays.
- O2** Innovative port lounge seating is convertible and features plush backrests.
- O3** The captain rides in comfort thanks to a helm seat with flip-up bolster and armrests.
- O4** Overhead rod racks in the cabin keep your equipment handy but safely out of the way.

## 315 Conquest®

Rugged sophistication, cutting-edge convenience and incredible functionality combine in the 315 Conquest®, a boat designed for both hardcore saltwater anglers and those who favor full-time cruising. A full front glass windshield with open sides provides a clear, unobstructed view from the helm, while an insulated livewell/cooler, large bait-prep area and storage, and dual in-deck fishboxes ensure anglers have everything they need to get on the fish. The 315's cabin features a skylight over the galley and a mid-berth with ample space for bringing along extra family members or friends. A smart convertible portside lounge seat opens up the options for riding in comfort, flipping smoothly to face forward or aft. Master the offshore, and enjoy the onboard.

Optional Summer Kitchen features a pull-out cockpit grill with cutting board and storage drawers.

01

Spacious and stylish control station features ergonomic instrumentation and adjustable helm seat.

02

Roomy cabin centers around a wood dinette that easily converts with V-berth filler cushions.

03

In-deck fishboxes with drain and pump-out provide ample storage space.

04

CELEBRATING A PROUD LEGACY OF INNOVATION AND EXCELLENCE

## 285 Conquest® Pilothouse

There's no stopping the 285 Conquest® Pilothouse. An enclosed windshield with aft bulkhead and door offers unobstructed visibility and weather protection with great ventilation. Optional cockpit diesel heating is also available. Below deck, the cabin offers all the features of the open 285 Conquest—meaning it's as well suited for leisurely cruises with friends as it is for serious offshore fishing excursions. A large multipurpose prep station above deck keeps fishermen nicely equipped for the task at hand. With leading performance, power, handling and design, the 285 Conquest Pilothouse is a force you'll want to reckon with.

- O1** Large in-floor fishboxes preserve every big catch and feature drain and pump-out.
- O2** Port lounge area with optional table offers a comfortable place to relax while protected from the elements.
- O3** Stainless-steel grab rails along sides facilitate movement around the boat.
- O4** Easy-access mechanical compartment also houses optional cockpit table when not in use.

## 315 Conquest® Pilothouse

A host of thoughtful amenities and options make the 315 Conquest® Pilothouse the perfect boat to take on open water, whether you're seeking big fish or effortless entertainment. Thanks to an enclosed windshield with aft bulkhead, you're protected from the elements. And thanks to a multipurpose prep station and ample storage, you're armed to make serious catches. Duck into the cabin and find a convenient galley, well-appointed head and spacious V-berth dining area, perfect for gathering with friends and family. Whaler's unsinkable deep-V hull and premium Mercury® Verado® power ensure that the ride is as smooth and comfortable as the soft, durable seats.

Tempered-glass full-enclosure windshield system and windows in aft bulkhead allow for plenty of natural light.

01

Optional cockpit table encourages dining alfresco.

02

Roomy cabin features wood dinette table with gas-assisted base for easy convertability.

03

Galley includes Corian® countertops, sink with faucet, microwave, skylight and more.

04

CELEBRATING A PROUD LEGACY OF INNOVATION AND EXCELLENCE

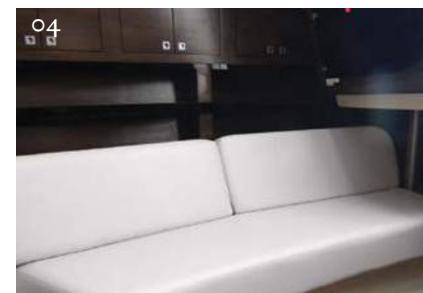

# 345 Conquest®

Meet the boat that reimagines the possibilities for onboard space: the 2014 NMMA Innovation Award-winning 345 Conquest®. Its cabin includes customizable storage, a sophisticated galley and head, and the award-winning Dynamic Cabin System—a forward-berth dining table that seats six adults and converts automatically into a plush queen-sized bed. The spacious helm area includes a generous rear-facing companion seat, reversible aft seat, skylights, a well-equipped food-prep station and more, all but ensuring the captain will never cruise without company. Yet, as comfortable as it is, the 345 Conquest is also a serious offshore fishing boat, with amenities and options like a bait-prep station and an available upper station. Mercury® Joystick Piloting means effortless docking and station-holding. Step aboard the 345 and see how smart onboard space can be.

- 01 Triple Mercury FourStroke Verado® engines with Joystick Piloting provide impressive power and control.
- 02 The well-appointed head features a stylish porcelain sink and stainless-steel accents.
- 03 Convenient cockpit prep station with flip-top grill, huge storage and YETI® cooler.
- 04 Optional cabinet storage above the settee in the cabin holds extra belongings securely.

CELEBRATING A PROUD LEGACY OF INNOVATION AND EXCELLENCE

# 345 Conquest® Pilothouse

Take offshore fishing and cruising to the next level with the 345 Conquest® Pilothouse. Sophistication, convenience and functionality are signatures of this innovative, all-weather champ. The spacious helm area includes a large port lounge, a generous rear-facing companion seat, a well-equipped prep station and more. State-of-the-art helm electronics further enhance the captain's experience. The 345's cabin innovates with customizable storage, a sophisticated galley and head, and the award-winning Dynamic Cabin System—a forward-berth dining table that seats six adults and converts automatically into a plush queen-sized bed. Up top, fishing amenities abound and, thanks to the Pilothouse's enclosed windshield with aft bulkhead, you're protected from the elements.

- O1** Full galley includes microwave, sink and stainless-steel refrigerator/freezer.
- O2** Starboard cockpit prep station with refrigerator/freezer, sink, drawer storage and more.
- O3** Well-ventilated, full-enclosure windshield system offers unbeatable weather protection.
- O4** Cockpit features additional prep center with work surface, standard grill and optional storage.

## JL AUDIO®

Guided by a philosophy that great audio has real value, JL Audio develops and builds innovative products that improve the audio experience. The company's commitment to great audio is heard every time you listen to your premium JL Audio system equipped on your Boston Whaler boat.

## SEAKEEPER

Seakeeper's innovative technology virtually eliminates boat roll and provides the solution to a host of excuses to stay ashore. No more fear of motion sickness. No more fatigue after only a few hours seeking the bite. No more worrying about children or elderly guests on rough water. Instead, it's confidence, comfort, safety, and smiles. Once you feel it, you'll never boat without it!

# Whaler Partners

## SUPERIOR POWER

Every Boston Whaler comes standard equipped with Mercury® FourStroke or FourStroke Verado® engines precisely power-matched to each boat with a variety of upgrade options, including double-, triple- and quadruple-engine configurations for ultimate power and performance. FourStroke has proven the perfect platform for active fishing- and family-focused Boston Whaler boaters who settle for nothing less than the best.

## AN EXCEPTIONAL DRIVING EXPERIENCE

An array of cutting-edge Mercury features, available on many Boston Whaler models, further contributes to a stellar driving experience. VesselView® engine-information displays provide clear, streamlined access to vessel-system information. Digital Throttle & Shift provides for smooth, instantaneous, predictable and quiet shifting, as well as ultra-responsive throttle control. Joystick Piloting, available on many larger models, makes it possible to maneuver the boat in any direction—sideways, diagonally or even spinning on its axis—and allows for virtually effortless docking. Other popular advances include Skyhook, the industry's leading digital GPS positioning system.

## ADVANCED PERFORMANCE

Mercury's FourStroke Verado is the most sophisticated outboard on the water today. The Verado lineup, including the powerful six-cylinder Verado 350, delivers class-leading performance and fuel economy, incredible reliability, superior corrosion protection, jaw-dropping acceleration, and minimized noise, vibration and harshness (NVH). The result is a smooth, quiet ride that enhances your boating enjoyment.

## TECHNOLOGY THAT'S SIMPLY SUPERIOR

Raymarine products are engineered for rugged reliability, amazingly fast performance and incredible ease of use. Every day, thousands of captains around the world get underway knowing they can depend on their Raymarine systems to show them the way, in any kind of weather. In fact, Raymarine was recently chosen to be the official electronic navigation systems supplier to the United States Coast Guard.

## SYSTEMS ENGINEERED TO PERFORM

Raymarine consistently leads the industry with state-of-the-art products and technologies. Raymarine's simple but powerful LightHouse™ operating system is at the heart of every Multifunction Display. It provides smooth and fluid operation with lightning-fast responsiveness. Simple icon-based operation and logical menu2D and 3D CHIRP Sonar, digital radar, thermal night vision, autopilot systems and much more are all engineered for seamless integration and simple operation. You'll become an expert in no time!

Raymarine's Multifunction Displays all feature big, bright, sunlight-viewable LCD displays with optical bonding technology and super-wide viewing angles. Day or night, you'll always have the clearest view possible of charts, sonar, radar and more.

## PASSING THE TESTS OF TIME AND CLIMATE

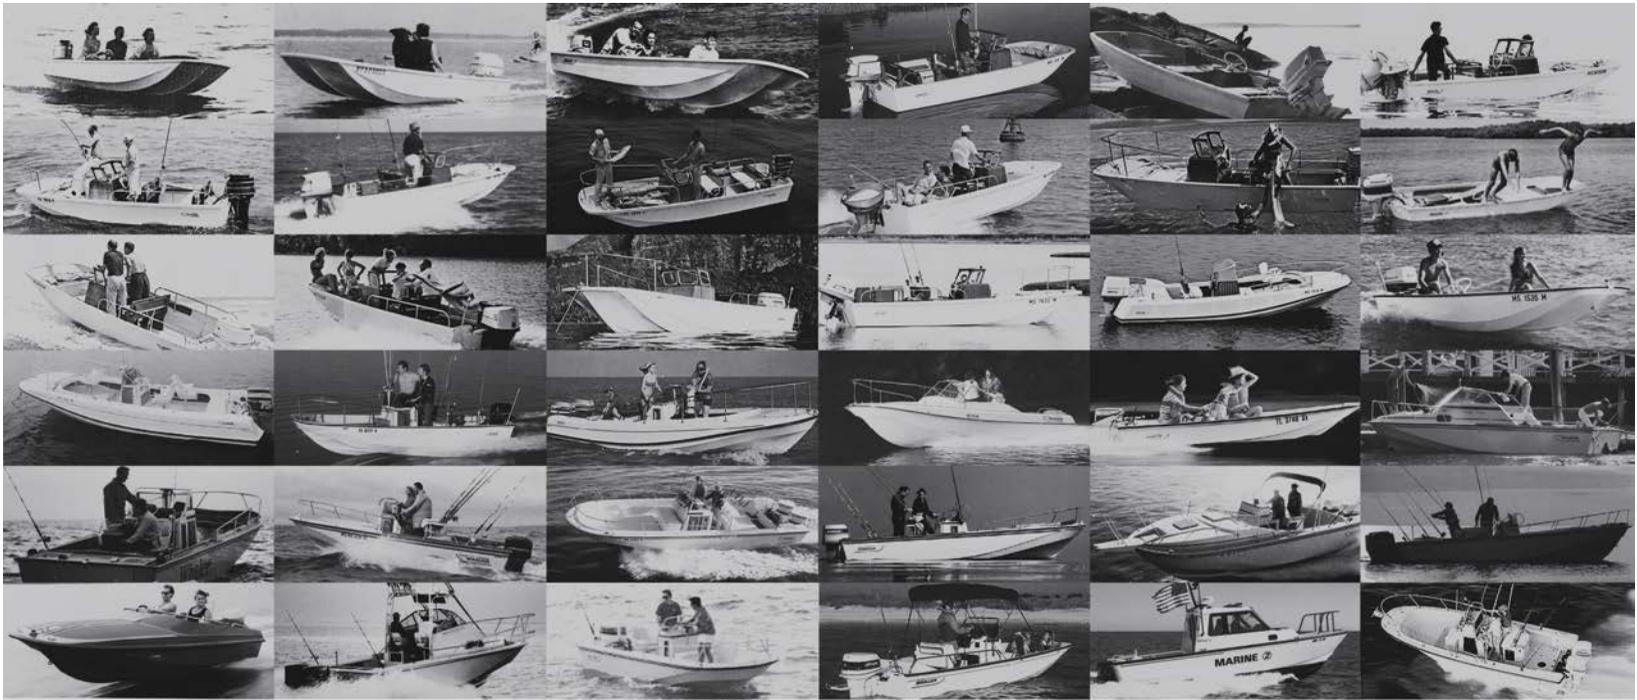

Raymarine's world-class test facilities put products through their paces so you can get underway with total peace of mind. They shake, bake, freeze and flood products and components to their limits and beyond. Raymarine also backs its products with world-class warranty, service and support.
